

AI-FIS Demo Cue Sheet

Opening Statement

Welcome to AI-FIS Technologies, where financial data speaks through sound. This is not just a dashboard; it is an instrument of integrity.

Visual Identity Introduction

Show the banner and logo. Narrate: 'This banner represents our core philosophy: orbiting financial systems with AI-driven transparency.'

EQ + Sonification Panel

Demo the EQ sliders (Low/Mid/High). Explain: 'The audience can control the mood by emphasizing Agriculture, Finance, or Tech with each frequency.'

Manual Chord Triggers

Press:

- Play Financial Pulse
- Positive Flow (C Major)
- Negative Flow (A Minor)
- Anomaly Detected (Diminished chord)

Narrate what each chord represents.

Visualizer Response

Explain: 'Each event echoes visually. This is not static data, but a living pulse of financial integrity.'

AI Auto-Triggers

Explain the automatic triggers: fraud alerts, currency shock, and market panic, triggered by real-time pattern recognition.

Export + Replay

Demonstrate Export Event Log and Timeline Playback. Each action is timestamped and replayable as a musical audit trail.

Closing

AI-FIS Demo Cue Sheet

This is AI-FIS: a system built to reveal what is hidden and restore trust through transparency, sonification, and public accountability.
